

Thursday April 22, 2010

07:00 a.m. Registration and Breakfast				
8:00 a.m. Welcome and Introductions				
8:15-9:45 a.m.		8:00-9:30 a.m.	8:30-10 a.m.	
Refresher Course Lectures	Ultrasound Workshops	Workshops	Poster Sessions	Resident / Fellow Program
Neurobiology of Nociception and Receptor Targets for Pain Management Regional Anesthesia and Acute Pain Medicine—An Evidence-Based Review of Clinical Outcomes		Workshop 1 Thoracic Epidural Placement Workshop 2 Continuous Upper and Lower Extremity Nerve Blocks	Poster Discussion Session 1	
9:45-10:15 a.m. Coffee Break and Networking Session				
10:15-11:45 a.m.	10 a.m.-noon	9:45-11:15 a.m.	10:30 a.m.-noon	
Applied Anatomy for Upper and Lower Extremity Regional Anesthesia Evidence-Based Update on Ultrasound Guided Regional Anesthesia	Ultrasound for Upper Extremity Blocks	Workshop 3 Brachial Plexus Blocks Below the Clavicle Workshop 4 Ultrasound-Guided Neuraxial and Paravertebral Blockade	Poster Discussion Session 2	
11:45 Distinguished Service Award Noon-1:30 p.m. Lunch on Own or Attend 1 of 7 PBLD Sessions				
1:30-3 p.m.	1:30-3:30 p.m.	1:15-2:45 p.m.	1:30-3 p.m.	
Refresher Course Lectures	Ultrasound Workshops	Workshops	Poster Sessions	Resident / Fellow Program

<p>CNS Pharmacology of Neuraxial Opioids</p> <p>Adjuvant Medications and Non-Traditional Techniques of Acute Pain Management</p>	<p>Ultrasound for Lower Extremity Blocks</p>	<p>Workshop 5 Thoracic and Lumbar Paravertebral Blockade</p> <p>Workshop 6 Head and Neck Blocks</p>	<p>Poster Discussion Session 3</p>	
<p>3:00-3:30 p.m. Coffee Break and Networking Session or Attend 1 of 5 PBLD Sessions</p>				
<p>3:30-5 p.m.</p>		<p>3-4:30 p.m.</p>	<p>3:30-5 p.m.</p>	
<p>Pediatric Regional Anesthesia Primer</p> <p>Outpatient Perineural Catheters: Who, When, and How?</p>		<p>Workshop 7 Lumbar Plexus Blockade: Psoas Compartment, Femoral, LFC, and Obturator</p> <p>Workshop 8 Ultrasound-Guided Lower Extremity Regional Anesthesia: The Basics</p>	<p>Poster Discussion Session 4</p>	
		<p>4:45-6:15 p.m.</p>		
<p>6:30-9 p.m. Opening Ceremony ASRA Presidential Address and Committee Reports ESRA, LASRA, and AOSRA Presidential Updates Cocktail Reception with Exhibitors</p>				
<p>Pearls and Pitfalls of Regional Anesthesia in the Toddler and Teen</p>				

Friday April 23, 2010

6:30 a.m. Registration and Breakfast 9:00 a.m.-7:30 p.m. Medically Challenging Cases and Poster Displays				
6:30-7:30 a.m. CME Breakfast Symposium: to be announced				
8:00-9:30 a.m.	8:00 a.m.-noon	8:00-10:00 a.m.	8:00-9:30 a.m.	
General Session	Intensive Workshops	Ultrasound Workshops	Workshops	Resident / Fellow Program
Regional Anesthesia and Orthopedic Surgery – Past, Present, & Future Optimizing Outcome for Upper Extremity Orthopedic Surgery Optimizing Outcome for Lower Extremity Orthopedic Surgery Multimodal Analgesia and Intra-articular Injections	Intensive Upper Extremity Workshop	Ultrasound Guided Lower Extremity Blocks Porcine Model Clinical Skills Workshop	Workshop 11 Brachial Plexus Blocks Above the Clavicle Workshop 12 Pediatric Regional Anesthesia	
9:30-11:00 a.m. Coffee Break, Networking with Exhibitors, and Visit Medically Challenging Cases and Poster Displays			9:45-11:15 a.m.	
			Workshop 13 Brachial Plexus Blocks Below the Clavicle Workshop 14 Continuous Upper and Lower Extremity Nerve Blocks	
11 a.m.-noon		10:15 a.m-12:15 p.m.		
Does Acute Pain Lead to Chronic Pain after Joint Replacement Surgery? Critical Pathways for Joint Replacement Surgery: Clinical Outcomes & Economic Benefits		Ultrasound Guided Upper Extremity Blocks		
Noon-2:15 p.m. Lunch Provided by ASRA			1:15-2:45 p.m.	

Luncheon Session Labat Lecture ASA Update: National Healthcare Changes and You Best of Abstract Posters Presentation & Resident Travel Awards				Workshop 15 Sciatic Nerve Blockade: Posterior, Subgluteal, Anterior, & Popliteal Approaches Workshop 16 Continuous Lower Extremity Nerve Blocks	
2:30-3:30 p.m.		2:00-6:00 p.m.	2:00-5:00 p.m.	3:00-4:30 p.m.	3:30-5:00 p.m.
Parallel Sessions		Intensive Workshops	Ultrasound Workshops	Workshops	Resident / Fellow Program
Parallel Session 1 Regional Anesthesia, Acute Pain Medicine, & Practice Management – In the Hospital and Beyond Incorporating Regional Anesthesia into a Busy Outpatient Practice Clinical Benefits of an Inpatient Acute Pain Service	Parallel Session 2 Clinical Update and Recent Advancements in Neuraxial and Paravertebral Blockade Ultrasound-Guided Neuraxial and Lumbar Plexus Blockade Alternatives to Neuraxial Anesthesia and Analgesia: Truncal Blocks	Intensive Ultrasound Workshop	2:00 - 4:00 p.m. Ultrasound Guided Neuraxial and Truncal Blocks 3:00 - 5:00 p.m. Porcine Model Clinical Skills Workshop	Workshop 17 Lumbar Plexus Blockade: Psoas Compartment, Femoral, LFC, and Obturator Workshop 18 Thoracic and Lumbar Paravertebral Blockade	Regional Anesthesia JEOPARDY!
3:30-4:30 p.m. Break with Exhibitors and Visit Medically Challenging Cases and Poster Displays					
4:30-6 p.m.				4:45-6:15 p.m.	6:30-7:30 p.m.
Parallel Session 1 Pre-procedural Block Rooms – Clinical Necessity or Absolute Luxury (PRO vs. CON) Economic Benefits of Regional Anesthesia Billing, Coding, & Documentation Requirements for Regional Anesthesia	Parallel Session 2 Alternatives to Neuraxial Anesthesia and Analgesia: Paravertebral Blockade Neuraxial Catheters for Obstetric Anesthesia Outpatient Spinal Anesthesia – Can I Make it Work?			Workshop 19 Continuous Truncal Blocks Workshop 20 Ultrasound Machine Basics— Physics, Knobology, and Hand-Eye Coordination Skills	Reception with Regional Anesthesia and Pain Fellowship Directors
6:30-8:30 p.m. CME Dinner Symposium: to be announced					

Saturday April 24, 2010

06:30 Registration and Breakfast 9:00 a.m.-5:00 p.m. Medically Challenging Cases and Poster Displays					
6:30-7:30 a.m. CME Breakfast Symposium: to be announced					
8:00-9:30 a.m.	8:00 a.m.-noon	8:00-10:00 a.m.	8:00-9:30 a.m.		7:30-9:30 a.m.
General Session	Intensive Workshops	Ultrasound Workshops	Workshops	Resident / Fellow Program	Acute Pain Nursing Program
The Pathophysiology and Prevention of Peripheral Nerve Injury Clinical Overview Pathophysiology Needle-to-Nerve Proximity – What Do Animal Studies Tell Us?	Intensive Lower Extremity Workshop	Ultrasound Guided Lower Extremity Blocks	Workshop 21 Continuous Psoas Compartment, Femoral, and Fascia Iliaca Block Workshop 22 Brachial Plexus Blocks Above the Clavicle		Pharmacology Review of Opioids, Local Anesthetics, and Adjuvant Analgesic Agents Neuraxial Anatomy and Clinical Applications for Acute and Chronic Pain
9:30-11:00 a.m. Coffee Break, Networking with Exhibitors and Medically Challenging Cases and Poster Displays or Attend 1 of 5 PBLD Sessions					
11:00 a.m.-12:30 p.m.		10:15 a.m.-12:15 p.m.	9:45-11:15 a.m.		10:00 a.m.-1 p.m.
Can Neural Localization Techniques Prevent Peripheral Nerve Injury? Assessment and Management of Peripheral Nerve Injury Panel Discussion		Ultrasound Guided Upper Extremity Blocks	Workshop 23 Continuous Brachial Plexus Blocks Above the Clavicle Workshop 24 Truncal Nerve Blocks (Rectus Sheath, TAP, Intercostal, and Ilioinguinal)		The Role of Regional Anesthesia in Pain Management Complications of Regional Anesthesia and Pain Medicine Nursing Poster Session I
12:30-2:00 p.m. Lunch on Own and Visit Medically Challenging Cases and Poster Displays or Attend 1 of 7 PBLD Sessions					
2:15-3:15 p.m.	2:00-6:00 p.m.	2:00-4:00 p.m.	1:15-2:45 p.m.		2:00-4:00 p.m.
Parallel Sessions	Intensive Workshops	Ultrasound Workshops	Workshops	Resident / Fellow Program	Acute Pain Nursing Program

<p>Parallel Session 3</p> <p>Medical Imaging in Regional Anesthesia and Acute Pain Medicine</p> <p>The Physics, Knobology, and Acquisition of High Quality Ultrasound Images</p> <p>The Role of Preoperative Imaging in Regional Anesthesia and Acute Pain Management</p>	<p>Parallel Session 4</p> <p>The Future of ASRA – Regional Anesthesia Education & Research</p> <p>Stimulating Interest: Creating Innovative Regional Anesthesia Residency Curriculums</p> <p>Educating Members: The ASRA/ESRA Ultrasound Guidelines</p> <p>Translational Research in Regional Anesthesia – 2010 and Beyond</p>	<p>Intensive Ultrasound Workshop</p>	<p>Ultrasound Guided Neuraxial and Truncal Blocks</p>	<p>Workshop 25 Continuous Brachial Plexus Blocks Below the Clavicle</p> <p>Workshop 26 Continuous Pediatric Regional Anesthesia Techniques</p>		<p>Acute Pain Parallel Session</p> <p>Nursing Care Considerations: Acute Pain Management of the Opioid Tolerant Patient</p> <p>Sedation and Monitoring for Regional Anesthesia and Postoperative Care</p> <p>Chronic Pain Parallel Session</p> <p>Adjunct Pharmacology and Complementary Approaches for Treatment of Chronic Pain</p> <p>Neuropathic Pain 101: Pathophysiologic Mechanisms and Treatment Modalities</p>
<p>3:15 - 4:00 p.m. Break with Exhibitors and Visit Medically Challenging Cases and Poster Displays</p>				<p>3:00 - 4:30 p.m.</p>		
				<p>Workshop 27 Continuous Lower Extremity Nerve Blocks</p> <p>Workshop 28 Continuous Sciatic Nerve Block and Its Variations</p>		
<p>4:00 - 5:15 p.m.</p>				<p>4:45 - 6:15 p.m.</p>	<p>4:15 - 5:15 p.m.</p>	<p>4:15-6:00 p.m.</p>

<p>Parallel Session 3</p> <p>Diagnostic Imaging for Complications of Regional Anesthesia – What to Order and When to Order It</p> <p>Catheter Confirmation – Determining Correct Catheter Tip Placement</p>	<p>Parallel Session 4</p> <p>Getting it Published: Practical Tips and Pearls to Publication</p> <p>Safety and Quality Initiatives: Informed Consent/Assent, Documentation, and Closed Claims Review</p>			<p>Workshop 29 Ultrasound-Guided Upper Extremity Regional Anesthesia: The Basics</p> <p>Workshop 30 Truncal Nerve Blocks (Rectus Sheath, TAP, Intercostal, and Ilioinguinal)</p>	<p>Pediatric Regional Anesthesia 101</p>	<p>Acute Pain Parallel Session</p> <p>Nursing Care Considerations: Anticoagulation and the Patient for Regional Anesthesia</p> <p>Nursing Poster Session II</p> <p>Chronic Pain Parallel Session</p> <p>Managing the Psychology of Pain and Addiction During the Perioperative Period</p> <p>Managing Postoperative Pain in Patients Actively Using Recreational Drugs</p>
<p>7:00-10 p.m. President's Reception at the Hockey Hall of Fame</p>						

Sunday April 25, 2010

7:00 Registration and Breakfast	
6:30 -7:30 a.m. CME Breakfast Symposium: to be announced	
8:00-11:00 a.m.	8:00 a.m.-noon
General Session	Resident Program
<p>ASRA Practice Advisory on Local Anesthetic Toxicity</p> <p>Local Anesthetic Toxicity Update</p> <p>Exploring International Guidelines on Regional Anesthesia and Anticoagulation</p> <p>Spinal Hematoma in Sweden: Patient and Anesthetic Risk Factors</p> <p>Regional Anesthesia in the Patient Receiving Antithrombotic Therapy: ASRA Evidence-Based Guidelines</p> <p>Thromboprophylaxis in Europe: How and Why is it Different?</p> <p>The European Society of Anesthesia Guidelines for Neuraxial Anesthesia and Anticoagulation</p> <p>Setting Aside Our Differences: Working Towards a Single Set of International Guidelines</p>	<p>Lectures</p> <p>Regional Anesthesia “Basic Training”</p> <p>Upper Extremity Neuroanatomy</p> <p>Lower Extremity Neuroanatomy</p> <p>Essential Block Techniques for Pediatric Anesthesia</p> <p>Ultrasound Basics of Regional Anesthesia</p> <p>Rotating Workshop Stations</p> <p>Brachial Plexus Blockade Above the Clavicle</p> <p>Brachial Plexus Blockade Below the Clavicle</p> <p>Lumbosacral Plexus Blockade</p> <p>Truncal Blocks</p> <p>Pediatric Block Techniques</p>
