### ASRA Mission

To advance the science and practice of regional anesthesia and pain medicine.

### Vision

To be the leader in regional anesthesia and acute and chronic pain medicine through innovations in patient care and education, and support of research.

### Purpose

The purpose of promoting ASRA Corporate Partnership is to develop and sustain a mutually beneficial relationship between ASRA and members of industry who have a vested interest in this area of regional anesthesia and pain medicine.

The financial support gained by ASRA from the Corporate Partner Program helps to further the ASRA mission.
