17th Annual Pain Medicine Meeting
November 15-17, 2018
JW Marriott San Antonio Hill Country | San Antonio, Texas
#ASRAFall18

Support and Exhibition Prospectus
Dear Colleagues,

On behalf of the Scientific/Education Planning Committee, I personally invite you to the 17th Annual Pain Medicine Meeting taking place Thursday, November 15 – Saturday, November 17, 2018 at the beautiful JW Marriott San Antonio Hill Country in my home state of Texas.

Our Pain Medicine specialty has seen unparalleled change in the last year. While we are faced with increasing economic complexities and the ever present Opioid Crisis, we have also witnessed an explosion of technological advancements. ASRA strives to be THE meeting that can deliver outstandingly comprehensive, clinically relevant, and scientifically sound education that pain medicine practitioners and leaders need more than ever. When challenges like physician burnout are testing the resolve of members, ASRA strives to bring new tools and new energy through innovation and support.

National stakeholders from the Office of the Surgeon General and the FDA will spark conversation at this year’s meeting. However, the meeting program will also highlight novel therapies such as neuromodulation and regenerative medicine. Advancements in the treatment of major joint pain and special pain populations such as children will be covered. New guidance in emerging areas such as ketamine therapy will be presented. Additionally, we hope to arm practitioners with new tools such as practical psychological interventions for physician burnout and quality improvement concepts.

In addition to the didactic sessions, you will have the opportunity to attend cutting edge hands-on workshops, many of which will combine ultrasound and fluoroscopy in a hybrid design. Percutaneous spine decompression, radiofrequency ablation techniques, and surgical skills for implantable therapies are just some of areas covered by world renowned faculty. The highly popular ultrasound workshops, first demonstrated at ASRA and continuously evolving to meet learner needs, will now offer a multi-staged curriculum for obtaining ASRA's Pain and MSK Interventional Ultrasound Certificate which will be held on Sunday. Also, the ASRA-ASA Practice Management Portfolio is designed for interactive discussion on key aspects of coding/compliance, managing a pain practice, and key aspects of MACRA in 2018 and in the years to come with new measure discussion. These sessions are truly a must for both physician leaders and practice management specialists.

We continue to be excited about interest and participation from our non-physician practitioners. In addition to the dedicated PA/NP program, participants also have the opportunity to attend targeted interactive sessions on medico-legal issues, intrathecal and spinal cord stimulation therapy, complementary therapies, diagnostic imaging, and the hands-on physical exam workshop.

Not only are we committed to delivering an outstanding scientific program with abounding networking opportunities, but also we aim to restore your enthusiasm for your craft with a mindful experience and family oriented atmosphere. We must remain adaptable, motivated and responsive to change and challenges! The world of pain management is an exciting area in which to work, and we’ll continue to meet and bring inspired people together in forums like this, to ensure our organization and discipline remains at the cutting edge.

I look forward to seeing you at the beautiful JW Marriot Hill Country Resort in San Antonio, Texas.

Regards,

Maxim Eckmann, MD
Chair, Scientific/Education Planning Committee 2018

- All requests for space must be submitted by the sponsoring company via the official booking form.  
- Earliest submitted forms will have preference if companies reach equal point totals. If forms arrive on the exact same date, ASRA reserves the right to assign space based on a company's previous support of ASRA.  
- All official ASRA space requirements will be met prior to any assignment of space required by industry.  
- Assignment of exhibit hall exhibit space will begin after June 1, 2018.  
- Assignment of other function space will begin July 10, 2018 approximately 75 days prior to event.  
- All independent industry-sponsored events affiliated with the ASRA meeting must be approved and not compete with official ASRA events. Failure to have approval may result in exclusion from all ASRA meetings and events. Based on the available facilities, no request is guaranteed until confirmed by ASRA in writing.

**Additional Space Requests:** Requests for meeting space for company meetings, symposia, or hospitality activities must be sent to ASRA c/o Show Management. Space is assigned according to ASRA official guidelines. All requests must be in writing.

Meeting Room Sets
All meeting space during ASRA's Annual Meeting is controlled by
ASRA and this space may be used for other society functions during
the course of the conference. If you request a change to the
established room set (typically rounds) for your event, you must first
have ASRA approval and any costs associated with the set changes
and returning the rooms back to its original set are your financial
responsibility. Due to the number of events, it may not be possible to
change a set based on time constraints and when the next event
takes place. In order to satisfy all meeting space requests, standard
sized room sets may be required and will be established by ASRA if
deemed necessary. ASRA reserves the right to change meeting
space assignments to benefit the meeting. Changes in meeting
space will be communicated in writing to the participating companies
and will not be made after 30 days prior to the conference.

Technician Support
You have the option to utilize your own technician support for your
event at your cost. The initial audio visual set must stay in place and
not change. You may add to the set and any additional items will be
added and removed at your expense. Any additional equipment
added to your event must be removed immediately following your
event. Any slide review or practice sessions may incur additional
costs at your expense.

Ancillary Events Miscellaneous Meeting Space
All ancillary events must receive ASRA authorization, whether they
require meeting space or are being held off premises. A prerequisite
to obtain meeting space is participation as an exhibitor. If an
agency/third party is securing space for the exhibiting company,
verification from the exhibiting company must be submitted with the
completed booking form along with the appropriate access fee of
$1,750 per room per day for all events listed unless otherwise noted.

Miscellaneous Ancillary Events Include:

Advisory Board Meetings: A small gathering of corporate board
members, which may also include some meeting participants in the
field of discussion.

Focus Group/Marketing Research: A small meeting designed to
evaluate services, test new ideas, and gather market research.

Corporate/Staff Meetings: Company employees only - no
attendees.

Private Show Rooms: A small meeting designed to showcase
products and services in a controlled private environment to ASRA
attendees.

Hospitality Suites: In order to provide exclusive time slots for social
events and hospitality suites, ASRA will designate time frames to hold
these events. The established times will not compete with official
ASRA educational offerings or events. Failure to hold a social event
or hospitality suite during the designated hours may result in the loss
of “Priority Points.” Disregard for any rule stated here may prohibit any
exhibitor from participating in all future ASRA events. All companies
holding a social event must notify ASRA c/o Anthony J. Jannetti Inc.
and be approved, even if meeting space is not requested, and an
unofficial venue is being utilized.
Blackout Times for 2018
Organizations may not hold functions (on or off premises) during the defined “blackout” times unless approved by ASRA. ASRA will strictly enforce the blackout times. Failure to have approval to hold any event in these established time frames may result in loss of priority points or exclusion from all ASRA meetings and events. The “blackout” times do not apply for exhibitor staff/preconference meetings; however, an application must be submitted for approval.

2018 Blackout Times
Wednesday, November 14 ............................................ 6 am–9 pm
Thursday, November 15 ................................................ 6 am–9 pm
Friday, November 16 ..................................................... 6 am–9 pm
Saturday, November 17 ................................................ 6 am–9 pm
Sunday, November 18 ................................................... 6 am–2 pm

Assignment of Meeting Space
This is based on points awarded via official ASRA “guidelines for assignments of space.” To benefit from the priority system points, the application for meeting space must be received before August 31, 2018. Applications received by August 31, 2018, will be allocated space on a priority point basis. Applications received after August 31, 2018, will be assigned on a space-available basis only in order of date received.

ASRA reserves the right to assign the next best substitute timeslot when the requested timeslot is not available. Since it is not always possible to contact each individual company for new timeslot selections, please make multiple choices on your application. Applications can be sent by e-mail or fax. Submitting a request does not guarantee assignment. Assignments and confirmations will not be provided without payment in full.

Guidelines for Assignment of All Exhibit and Meeting Space
The following point system has been established to fairly assign exhibit space and ancillary event function space at all ASRA meetings and events. Earned priority point totals are based on the 12 months preceding application for exhibit and meeting space.

ASRA Priority Points
Corporate Partner ...................................................... 4 points
WC/Regional Anesthesiology-Acute Pain
Meeting Exhibitor* .................................................. 1 point **
Pain Medicine Meeting Exhibitor ............................. 1 point **
Marketing Opportunities Promotional Support ........ 1 point
* Prerequisite for obtaining any meeting space during Pain Medicine Meeting
** per 10’ x 10’ booth

1. All requests for exhibit and ancillary event function space must be in writing, and must come directly from the sponsoring company or institution or a verified third party.
2. Earliest dated written request will have preference if companies reach equal point totals. If requests arrive on the exact same date, ASRA reserves the right to assign space based on a company’s previous support of ASRA.
3. All official ASRA space requirements will be met prior to any assignment of space required by industry.
4. Assignment of exhibit space will begin approximately 100 days prior to event.
5. Assignment of function space will begin approximately 75 days prior to event.
6. All independent industry-sponsored events affiliated with the ASRA Annual Meeting must be approved and not compete with official ASRA events. Failure to have approval will result in exclusion from all ASRA meetings and events. Based on the available facilities, no request is guaranteed until confirmed by ASRA in writing.

Payment/Cancellation
Payment in full of the access fee is required at the time the application is submitted. Checks should be made payable to ASRA and mailed to East Holly Avenue/Box 56, Pitman, NJ 08071.

All cancellations and/or reductions in space must be sent in writing to Jack Edelman at jack.edelman@ajj.com

ASRA shall retain:
- 25% if the cancellation/modification is made before July 31, 2018
- 50% if the cancellation/modification is made between July 31, 2018 - August 31, 2018.
- 100% if the cancellation/modification is made after August 31, 2018

Should any contingency prevent holding of the meeting, neither ASRA nor Anthony J. Jannetti, Inc. shall be held liable for any expenses incurred by the company requesting space. ASRA reserves the right to make final decisions on all points that the rules and regulations do not specifically cover.

CME POLICY

CME Policies on Separation of Promotional from Educational Activities

Exhibit and Promotional Activity Fees Shall be Separate and Distinct From Commercial Support

- Complimentary exhibit and/or promotional activities will not be provided to those companies providing commercial support (educational grants or in-kind support).
- A separate and distinct fee must be paid for exhibit space or other promotional activities during the activity for which support was provided.

Separation of Promotional Activities from the Physical Space and Place of the Educational Activity

- Absolutely no promotional activities will be permitted in the same room immediately prior to, during, or after a CME activity.
- Exhibit materials must be in a room or area separate from the education and the exhibits must not interfere, or in any way compete with the learning experience.
- All promotional activities including interviews, demonstrations, and the distribution of literature or samples must be made within the exhibitor’s space only; canvassing or distributing promotional materials outside the exhibitor’s rented exhibit space is not permitted.
- Specific times are established for exhibit viewing and/or other promotional activities (including industry supported satellite symposia).
- Food and beverage may be served by ASRA in the exhibit hall in order to encourage interactions between attendees and exhibiting companies.

Separation of Promotional Activities from the Educational Course Materials

- ASRA does not include any product promotional information in its educational materials that are used to support learning during a CME activity (copies of slides, handouts, abstracts, etc.).
- Exceptions to this include:
  - The required commercial support disclosure (company name only, no trade names or product group messages).
  - Logistical information such as the time/location of industry organized ancillary events, exhibitor listing, etc.
- Promotional information is only allowed in logistical support materials (printed program guide, tote bag, etc.). Promotional materials in the program guide will be grouped in a section in the back of the program. All such materials must be distributed outside the educational meeting room.

Non-CME Ancillary Event Guidelines

- Any educational session directly influenced, organized, or financed by industry will be considered an industry organized non-CME ancillary event.
- Separate times for non-CME ancillary events (not competing with ASRA educational sessions) will be made available.
- The content outline and speaker selection must be submitted to ASRA for approval (by the Scientific/Education Planning Committee) two months prior to the activity.
- Industry supported non-CME ancillary events will be clearly indicated in the meeting timetable/program as: “Non-CME ancillary event organized by…” (the term “sponsored” is not to be used).
- Promotional/marketing materials created by the company must include:
  - “Non-CME ancillary event organized by: Company ABC”
  - “The American Society of Regional Anesthesia and Pain Medicine (ASRA) has provided space for this non-CME ancillary event. The program was independently produced, not subject to review by ASRA, and is not part of the scientific/educational program offered by ASRA.”

Company Representative Session Attendance Guidelines

- Commercial Support (grants and/or in-kind):
  - Complimentary registrations will not be provided to those companies providing commercial support; a separate and distinct fee must be paid for attendance during the activity for which commercial support was provided.
- Exhibition and Promotional Support:
  - Companies paying the exhibit fee will receive a predetermined number of exhibitor badges, depending on the size of booth space purchased.
  - Exhibitors are allowed to attend the main meeting sessions at no charge (priority seating to paid participants); standard registration fees must be paid for participation in PBLD’s, workshops, special events, etc.
  - In order to receive CME credit, the company representative must register as a learner and pay the appropriate fees.
  - Absolutely no promotional activities or conversations will be permitted in the educational rooms immediately prior to, during, or after a CME session.
- In-Kind Technical Support:
  - In-kind support is sought from multiple companies, except when other equal but competing products or services are not available, therefore, representatives from multiple companies will participate.
  - A limited number of technical support badges will be provided for those companies providing support in-kind, requiring representatives to demonstrate the operational aspects or ensure proper functioning of a device.
  - Participation is managed in strict compliance with the ACCME’s Accreditation Criteria and Standards for Commercial Support.

1. ASRA is responsible for all decisions regarding the educational elements (planning, content, faculty selection, presentation, evaluation, etc.). Industry representatives in no way influence any portion of the CME activity; including how the in-kind support will be used or allocated to the educational sessions.
2. Industry employees shall be easily identifiable by their company and meeting badges.
CME Policies on Separation of Promotional from Educational Activities

3. The industry representative shall only contribute technical information about the use of the equipment.

4. The industry representative shall NOT expand their input into areas of clinical medicine, e.g.:
   - No indications for use
   - No comparisons between competing products
   - No comparisons between the device, invasive surgery, and/or medical treatment

5. ASRA’s faculty and staff provide strict supervision to ensure proper professional behavior by industry representatives.

6. ASRA reserves the right to physically limit the technician’s access to the educational setting; requesting the technician’s participation only when questions arise or further assistance is needed.

Commercial Interest May Not Be the Agent Providing Access to the CME Activity

- ASRA never uses a commercial interest as the agent providing a CME activity to learners (distribution of self-study CME activities or arranging for electronic access to CME activities)
- ASRA may provide a commercial interest with a limited number of brochures for audience generation only, but this is never the sole marketing method (others include direct mail, email promotions, etc.)

Onsite Monitoring

The separation of promotional materials and activities from the educational arena is strictly enforced throughout the activity by ASRA’s onsite staff.

Policies on Separation of Promotional from Educational Activities

About ASRA

The American Society of Regional Anesthesia and Pain Medicine (ASRA) is the largest subspecialty medical society in anesthesiology. It is our vision to be the leader in regional anesthesia and acute and chronic pain medicine through innovations in education and research. Our mission is to advance the science and practice of regional anesthesia and pain medicine. We do that by addressing the clinical and professional educational needs of physicians and scientists; ensuring excellence in patient care utilizing regional anesthesia and pain medicine; and investigating the scientific basis of the specialty.

The American Society of Regional Anesthesia was founded on August 2, 1923. The Society was reborn in 1975. ASRA is the largest subspecialty society in anesthesiology. There are approximately 4,000 members, including physicians and scientists and a rich international distribution.

- Education – in regional anesthesia and pain management
- Research – in regional anesthesia and pain management

The logo of the American Society of Regional Anesthesia and Pain Medicine depicts the core of the Society’s mission and includes features that embellish the essence of that mission in a symbolic way. The Triangle – represents the three interconnected functions of the Society:

- Pain Medicine – grounded in continuing education and quality scientific research
- The symbols or icons merely expand upon the mission and emphasize the historical developments of regional anesthesia and control of pain
- Poppy Pods – are a reminder of the unique role of opium and its alkaloids for the control of acute and chronic pain
- Open Books – represent the recording of scientific knowledge and dissemination of the critiqued information to the medical community
- Syringe – symbolizes technical aspects of the practice of regional anesthesia and pain management
  - The finger rings emphasize the need for exquisite control and safety

The overall shape of the Logo is in the form of the point of a needle, representing another essential tool for regional anesthesia, and the diamond shape dimensions emphasize precision and durable quality.

Exhibitors are not to share with others any space allotted to them without prior written consent by the exhibition manager. ASRA reserves the right to alter the general layout or limit the space allotted to each exhibitor/supporter, postpone the exhibition or transfer it to another site if unforeseen circumstances warrant such action. Should any contingency prevent the holding of the exhibition, ASRA will not be held liable for expenses incurred other than the cost of exhibit space rental fees. Should the exhibitor/supporter fail to make a payment on time, ASRA is entitled to terminate the contract, withdraw confirmation of acceptance, make other arrangements for the stand/supporter items or seek compensation for non-fulfilment of contract.
