## Disclosure and Resolution of Personal Conflicts of Interest

In accordance with the ACCME's Standards of Integrity and Independence and related policies, ASRA is committed to ensuring balance, independence, objectivity, and scientific rigor in its CME/CPD activities. Those in control of the educational content disclose all relevant relationships (financial or other) with any ineligible company that they have had within the past 24 months. If an individual refuses to disclose, they are disqualified from participating. Disclosure information is evaluated and conflicts of interest mitigated. Disclosure is made to participants prior to the activity. Participants are asked to evaluate the objectivity and independence. Off-label or investigational use of a therapeutic product is also disclosed.
