

Celebrating 100 Years of Regional Anesthesia

The current-day American Society of Regional Anesthesia and Pain Medicine was founded in 1975. However, there was an earlier "ASRA" founded in 1923 by Gaston Labat, called the "father" of regional anesthesia and pain medicine in the United States, and colleagues. On the 100th Anniversary of this earlier organization's founding, ASRA Pain Medicine will celebrate the field of regional anesthesia at its **48th Annual Regional Anesthesiology and Acute Pain Medicine Meeting** being held April 20-22 at the Diplomat Beach Resort in Hollywood, FL.

Join us **Saturday, April 22, from 7-10 pm** for a **Special Celebration** honoring the 100th anniversary of the original ASRA. This 1920s-themed event will include dinner, dancing, and entertainment, as well as recognition of leaders in the field and a special visit from Dr. Labat's family members.
